

CAN YOU INSPIRE?

District Commissioner (Management)

We now need a brilliant volunteer manager to take Scouting forward in your community. As District Commissioner you will offer support to Scout Groups, while helping open new ones. You will manage adults, setting objectives and holding regular one to ones. Most importantly you will ensure that Scouting offers an enjoyable and attractive programme for young people helping prepare them for a bright future.

Although no Scouting experience is necessary, you will know how to motivate people, produce a local development plan and have the charisma to inspire your team. Above all, you will believe passionately in Scouting for All, helping Scouting grow, become more inclusive, more youth shaped and make a positive impact in local communities.

It's a challenging role, but the rewards are huge, improving the outcomes of thousands of young people.

Scouting offers fun, friendship and life changing adventure to over 450,000 young people across the UK. But this is only made possible by our talented teams of volunteers.
