

# Bungle-ee

## Badge design competition

### Some helpful tips & information:

- Bungle-ee 2024 will have a medieval theme, try and make your design a little bit medieval.
  - You can only use 9 colours, choose your colours carefully!
- Notice those eyes at the top? Try and include them in your design!
  - Why not include your favourite camp activity?

We'll try and use your design exactly how you've drawn it, but we might have to make a few changes for the badge!
